President's Report 2005

## A Year in Review

## MISSION STATEMENT

Indiana Wesleyan University is a Christ-centered academic community committed to changing the world by developing students in character, scholarship and leadership.

## A Spirit of Giving All Year Long

Several times during my years as president of Indiana Wesleyan University, I have addressed students in chapel the week before they leave campus for Christmas vacation.

I always encouraged students to “commit a random act of kindness” while they were home for the holidays and even would offer a couple of suggestions, such as volunteering to ring bells for The Salvation Army or visiting someone in a nursing home.

In recent years, it became more apparent that “I was preaching to the choir.” With each passing day I have become more aware of how caring and giving IWU students are. Indeed, the same thing could be said for the entire University family.

I am convinced that there are not many people on campus who need to be encouraged to commit random acts of kindness. They already are busily about that task.

The most recent example was a Thanksgiving food drive, which was coordinated by Nathan Beals. Nate graduated from IWU in 2003 and now is back on campus as the resident director of Bowman House, our freshman men’s residence hall.

In less than a week, an outreach team representing all IWU residence halls collected more than 600 grocery bags of food – and \$150 in cash – for two Marion-area food pantries.

The food was left at collection sites in all residence halls, the IWU Student Center and in campus office buildings. Again, the majority of the food and the money came from students.

Nate says he’ll never forget the look on the face of the food pantry director (also an IWU graduate) when the students delivered the food the day before Thanksgiving.

This isn’t a one-time example, though. It’s what I’ve seen repeatedly on campus.

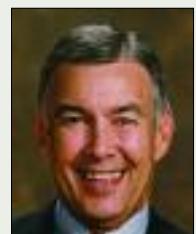

Earlier this year, the IWU family contributed more than \$17,000 for victims of Hurricane Katrina. And a year ago, in an effort that seems even more amazing with the passage of time, IWU raised more than \$37,000 for tsunami victims.

The majority of the money, in both efforts, came directly from the pockets of students – or through fund-raising projects that were coordinated by students.

If we as a university do nothing more than instill in our students a spirit of giving, we will have taught them an important lesson and contributed to their lives immeasurably.

There’s nothing ‘random’ about the everyday acts of kindness and outreach that characterize the IWU family.

In this season of giving, Tommie and I send our best wishes for a blessed Christmas and a fulfilling New Year!

DR. JIM BARNES '65  
PRESIDENT OF INDIANA WESLEYAN UNIVERSITY

## January 2005

The 10th annual IWU Scholarship Telesale raised a record \$153,500, pushing total telesale revenue to more than \$1 million. The first telesale in 1996 raised \$15,000.

## February 2005

The IWU community raised more than \$30,000 for tsunami victims in Sri Lanka and for families affected by January floods in Marion. The money was raised in less than a month through various projects coordinated by World Impact, a student mission organization. A 13-student mission team traveled to Sri Lanka for 10 days during spring break.

Dr. Steve Lennox was named IWU's first Dean of the Chapel and will report directly to President Jim Barnes. Dr. Lennox will be responsible for spiritual

formation programs, including chapel services. Dr. Lennox joined the IWU faculty in 1993 and most recently was Chair of the Division of Religion and Philosophy.

## March 2005

IWU bought a three-story office building in downtown Dayton that will become the University's 10th regional campus – and third in Ohio. Classes began in Dayton in April and the building opened in Fall 2005. Other Ohio campuses are in Cleveland and Cincinnati.

Greg Tonagel, a starter on the 1998 Indiana All-Star basketball team, was named men's basketball coach. He had been Director of Basketball Operations at Valparaiso University, where he played in four Division I NCAA basketball tournaments.

Offices moved into the new Adult and Graduate Studies Administrative Center, which is located a few blocks south of IWU's main campus. The \$7.6 million, 65,400-square-foot facility houses offices and classrooms for adult education programs plus a state-of-the-art Graduate Counseling Center.

The IWU Lady Wildcats finished the most successful basketball season in school history by winning the Mid-Central College Conference (MCC) tourney and advancing to the quarterfinals of the NAIA Division II national tourney. The women finished the season with a 33-3 record – including a perfect 16-0 record in the MCC.

## April 2005

IWU Trustees announced Dr. Jim Barnes, who has charted IWU's journey from a nearly bankrupt college to a thriving university, will become the University's first chancellor on July 1, 2006, a day after he completes his 19th year as IWU president. As chancellor, Dr. Barnes will

advise the new IWU president and work on special projects. Only one president in IWU's 85-year history has served longer than Dr. Barnes.

IWU trustees officially approved six new majors for the 2005-06 academic year. The new majors are Biochemistry, Entrepreneurial Business, International Relations, Spanish Education, Sports Ministries and Teaching English to Speakers of Other Languages (TESOL). Trustees also approved a Reserve Officer Training Corps (ROTC) program, to be

offered in conjunction with Ball State University.

Construction began on a 67,000-square-foot addition to the Student Center, primarily to expand the food service area. The Center for Life Calling and Leadership also will move to the expanded Student Center, which is to be completed in the fall of 2006.

Dr. Lyle Reed was re-elected to a four-year term as Chairman of the IWU Board of Trustees. Other officers re-elected were Dr. Harold Bardsley '58, Vice Chairman; Dr. G. Malcolm Evans, Secretary; and Edwin Hoover, Assistant Secretary.

A total of 1,158 students received diplomas during three graduation ceremonies. Pastor Crystal Yu Jie Hou, who has helped to start more than 300 houses churches in China, spoke at baccalaureate and received an honorary doctorate. Danielle Renee Halverstadt, a psychology major from Ohio, and Kyle

Allan Anderson, a biology/pre-medicine major from Kansas, shared valedictorian honors with 4.0 grade-point averages.

## May 2005

A nine-member Search and Recommendation Committee, appointed to seek a successor to Dr. Jim Barnes as IWU president, met for the first time. Carl Shepherd, a 1974 IWU graduate who has served as a trustee since 1989, was named committee chairman. Other trustees on the committee were Malcolm Evans, Harold Bardsley, Edwin Hoover, Paula Quinn, Karen Hollenbeck and John Bray. Faculty members were Dr. B.J. Fratzke and Dr. Larry Lindsay.

Dr. Judy Huffman, IWU's first Dean of the College of Arts and Sciences, resigned to join the pastoral staff at College Wesleyan Church. Dr. John Gredy, Vice President for Enrollment Management and Marketing since 1997, resigned to take a similar job at Cedarville University in Ohio.

## June 2005

Dr. Henry L. Smith was named President-elect of IWU after being "enthusiastically and unanimously recommended" to the Board of Trustees by the

search committee. Dr. Smith, who has been Executive Vice President since July 1, 2004, will become IWU's 11th President on July 1, 2006.

## July 2005

Alumni House, a two-story brick structure that was built in 1988 to serve as the president's home, was moved

across campus to IWU's main entrance near 43rd and Washington streets. The house was relocated to make room for the Student Center expansion.

IWU accepted a challenge from Lilly Endowment Inc. to raise \$3 million by Dec. 31, 2006. If successful, IWU will qualify for \$4.5 million in matching funds from the Endowment. IWU raised more than \$6 million in two similar challenges in 2002-2003, which qualified the University for the maximum amount in the latest campaign.

Dr. Clarence "Bud" Bence was named interim Vice President for Academic Affairs, and Dr. Burton Webb was

named interim Dean of the College of Arts and Sciences for the 2005-06 academic year. Dr. Vern Ludden was named Chair of Graduate Studies in Leadership and will oversee IWU's first doctoral program, an Ed.D. in Organizational leadership.

## August 2005

IWU acquired property to open regional campuses in Merrillville, Ind., and Lexington, Ky. In Merrillville, the University will build a 27,000-square-foot building, which will open in early summer 2006 at I-65 and U.S. 30. IWU has leased 10,000 square feet of space in an existing building along I-64 in Lexington. The Lexington center opened in October.

Dr. Mark Smith, Vice President for Adult and Graduate Studies, was named President-elect of Circleville Bible College in Ohio. Dr. Smith, who also is a member of the Marion City Council, will begin his new job on Jan. 1, 2006. Dr. Smith joined IWU in 1996.

Dan Burton, who is serving his 12th term as a U.S. Representative from Indiana's Fifth District, spoke at two graduation

ceremonies and received an honorary doctorate. About 1,000 students received degrees.

## September 2005

The Marion School Board voted to sell Center Elementary School to IWU, which was the only bidder for the property. IWU paid \$1.3 million for the building and about seven acres of adjacent land. The school may be used for classrooms for a year or two before a final decision is made on the building's future.

Jerry Shepherd was named Vice President for Enrollment Management and Marketing. Mr. Shepherd graduated from IWU in 1978 and has been

associated with the University for 25 years, most recently as Assistant Vice President for Enrollment Management and

Marketing. John Jones, who joined IWU 13 years ago, was named interim Vice President for Information Technology.

IWU Trustees approved three new buildings for the Marion campus – and a new regional campus in Greenwood, Ind. Construction will start in April in Marion for a \$12.5 million academic building

and a 300-bed residence hall. Work began in September on a 36-bed townhouse. The \$4.5 million Greenwood facility, which will open in 2006, will be IWU's 13th regional campus.

Campus Crusade for Christ's International Leadership University and IWU formed an educational partnership to provide undergraduate and master's online accredited degree programs to Campus Crusade's staff, employees, associates, volunteers, disciples, friends and their constituencies worldwide. The partnership is based on the two organizations' common Christian mission to educate and develop world changers.

Three 80-bed residence halls, which are being called lodges, opened for the fall semester. The lodges feature suites, for four to six students, with kitchens and small living areas.

IWU received a \$500,000 grant from Lilly Endowment Inc. to help fund the

Center for Life Calling and Leadership through July 2010. The Center initially was funded with a five-year, \$2 million Endowment grant that runs through June 30, 2007. IWU must provide matching funds for both grants.

Dr. James C. Dobson, founder and chairman of the Board of Focus on the Family, spoke at IWU's fourth annual Academic

Convocation. Dr. Dobson received an honorary doctorate and was the third person inducted into IWU's Society of World Changers.

A record 12,632 students enrolled for fall semester classes, an increase of 11 percent from the previous year. It is the 18th consecutive year of record enrollments for IWU. Enrollment on the Marion campus stands at 2,830 – an increase of 6 percent from a year ago. College of Adult and Professional Studies enrollment increased 37 percent from 8,385 in 2004 to 9,291 this fall.

IWU named and dedicated the Board of Trustees Room in honor of Dr. Leonard Mills, who served on the board for 33 years and was chairman for 25 years.

## October 2005

Dr. Michael Bonner was named Vice President for Graduate and Adult Studies. Dr. Bonner came to

IWU four years ago and most recently had been the Assistant Dean for Graduate Education. He has a doctorate from the University of Maryland and previously worked for 25 years in the Montgomery County, Maryland, public schools as a teacher, principal, supervisor and central office administrator.

first LEAP class that met in June 1985. She earned a bachelor's degree in 1985 and a master's degree in 1987 through the LEAP program.

Dr. Drury completed a Ph.D. in organizational leadership in 2004 from Regent University.

Dr. Barbara Ihrke was named Chair of the Nursing Division, after serving as acting chair since spring. Dr. Ihrke, who

joined the faculty in 1994, has a master's degree from IWU and a doctorate from Purdue University. The former Division of Nursing Education also has dropped the word 'Education' from its name.

## November 2005

Four IWU athletic teams ended their seasons by advancing to national tourneys:

- The women's soccer team won its first game ever in IWU history at the NAIA National Tourney in Kansas before losing in the second round. The women finished the season 19-2-2 (8-0 in the MCC) and Dr. John Bratcher was named Coach of the Year in the MCC and NCCAA.
- The men's soccer team finished third in the NCCAA national tourney in Florida.
- The men's cross-country team finished second in the NCCAA nationals and ninth in the NAIA nationals.
- The women's cross-country team finished fifth in the NCCAA nationals and 15th in the NAIA nationals.

IWU made plans to purchase College Wesleyan Church, after the congregation pledged \$2.1 million for a new building to be built just north of the existing church. Construction will begin in the spring of 2006.

## Barnes Expanded Vision and Kept the Faith

President Jim Barnes was honored for a "lifetime of meritorious service" during the 2005 Alumni Banquet. Dr. Barnes will leave the presidency on June 30, 2006, after 19 years in office, to become IWU's first chancellor.

Dr. T. Howard Lee presented Dr. Barnes a plaque on behalf of the IWU Alumni Association. Dr. Lee '66 is a physician in Indianapolis and serves on the IWU Board of Trustees.

"If you had to summarize Jim Barnes' career in one word, that word would be 'change,'" Dr. Lee said.

Despite the rapid change that has swept IWU over the last two decades, Dr. Lee said that Dr. Barnes often quoted a comment by Dr. Charles DeVol when he returned to campus

after a long hiatus:

"Tell me not of those things which have changed," Dr. DeVol said. "Rather, tell me of those things which have not changed."

Dr. Lee said President Barnes treaded the fragile line between expanding the vision of IWU while preserving the faith. "That he was able to do that will forever be the model and legacy that Jim Barnes leaves for future generations," Dr. Lee said.

Dr. Barnes has spent 26 of the last 40 years as a teacher or administrator on the IWU campus. "When you add in his student years, he has spent nearly half of his entire life on campus!" Dr. Lee said.

# Triangle Publishing Looks Beyond IWU Market

**T**riangle Publishing, the textbook publishing department of Indiana Wesleyan University, has undergone a significant change in direction since its founding in 2000.

The original charge to the department was to publish textbooks, which were written from a Christian perspective and with adult students in mind – specifically students in IWU’s College of Adult and Professional Studies.

“The original proposition was to publish textbooks for our own use because there weren’t any available that integrated Christian principles,” says Nathan Birk, IWU publisher. “We spent \$0 on advertising, so any outside sales were all profit.”

When Dr. Mark Smith was named Vice President for Adult and Professional Studies in 2001, he saw Triangle Publishing as a possible source of income and began to shift the focus to outside sales.

“That was the beginning of an era of dual focus,” Mr. Birk says. “We still serve our own APS market, but the majority of textbook sales are to other Bible schools and colleges that share IWU’s Christian perspective and faith.”

In its six-year history, Triangle Publishing has published nine textbooks with about 40,000 copies in print. The textbooks, most of them written by IWU faculty members, currently are used at about 50 other colleges and universities.

Mr. Birk markets the textbooks through catalogues, mailings and conventions. One textbook, Sociology: Christian Approach for Changing the World, is used by 30 colleges.

“The sociology textbook is edited by an IWU professor, but it has 22 contributors from other colleges,” Mr. Birk says. “As a

result, the book is used where the other professors teach. That’s a key to success.”

Mr. Birk, who has undergraduate and graduate degrees in religion from IWU, joined Triangle Publishing in January 2000. He previously was the publisher for The Wesleyan Church.

Triangle Publishing is actively seeking professors from other campuses to write textbooks, Mr. Birk says. Triangle’s goal is to publish at least four books each year.

“Triangle Publishing is seeking higher-level writers, for example writers who previously have published and recognize the tremendous effort and responsibility a textbook project requires,” Mr. Birk says.

Department revenue for 2005 is expected to be about \$140,000. Mr. Birk’s goal is to boost gross revenue to \$2 million over the next five years.

“The end and ultimate goal for Triangle Publishing, however, is not necessarily to be the biggest and best in its class,” Mr. Birk says. “We want to be part of a world-changing community which positively impacts the lives of millions of students around the world for Christ.”

*“Our dream is to become a publisher that is known for high-quality textbooks that are written from a Christian perspective.”*

December 2005

Dear Friends and Alumni of IWU:

As we celebrate the greatest Gift of all, the gift of our Savior, we are overwhelmed by the number of names that appear on the following pages of this issue of the *Triangle*. Each name represents a gift of love to Indiana Wesleyan University.

The number of names on the annual Honor Roll of Donors has grown significantly in recent years, which shows clearly that friends and alumni of IWU have moved to a new level of giving. We are proud of that, and we invite each of you to share our pride.

In addition to the joy that comes with giving, your faithfulness to IWU in recent years has produced an unexpected – but most exciting – reward.

A few months ago, Lilly Endowment Inc. challenged IWU to raise \$3 million in order to qualify for \$4.5 million in matching funds from the Endowment. The money must be raised by Dec. 31, 2006.

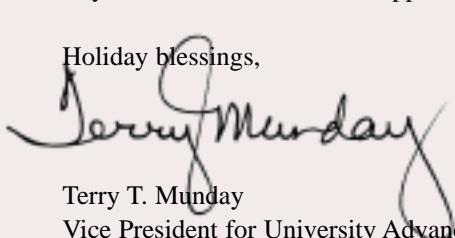

IWU was one of only 14 colleges in Indiana to qualify for the maximum matching grant – based on \$1.50 in Endowment funds for every \$1 raised by the University. That is Lilly Endowment's most generous matching offer ever to IWU.

Why was the Endowment so generous? Because friends and alumni of IWU responded so generously to a similar Lilly Endowment challenge announced in 2002! There is a direct correlation between the first Lilly initiative and the current one.

During the next year, we would urge you to give as generously as you can to help IWU reach its Lilly Challenge goal. A year from now, we would like to report that this annual list of names in the *Triangle* is even longer.

May God honor you for your faithful giving over the past months and years. And may you seek His will as you consider how best to support Indiana Wesleyan University in 2006.

Holiday blessings,

Terry T. Munday  
Vice President for University Advancement
